DOODLE PRAYERS

One way of praying is by gently doodling around a word. As your pen, or marker moves around on the paper, talk to God in your heart. Let your doodles become your prayer. Around each of the continent's name, doodle and pray for the people who live there or visit there. On this Communion Sunday, we remember Jesus as we eat bread and drink juice. We also remember that Jesus loves the people in every part of the world.
