

ENGAGEMENT PROMPTS

The **United in Impact** campaign is a churchwide initiative to raise awareness about the power of connectional giving in The United Methodist Church. At every level of our denomination, we are bound together by a shared mission—one that transforms lives and expands ministry in ways no single church could accomplish alone.

We want to hear YOUR story! You can use these prompts for your own personal reflections or invite your congregation to share. **#UnitedinImpactUMC**

Personal Prompts

These invite stories and testimonies.

- How has your life been changed by something your United Methodist Church has done?
- Can you remember a moment when someone's generosity impacted you?
- Have you ever given to something bigger than yourself? What did it teach you?
- What's one ministry at your United Methodist Church that has blessed you or your family?

Conversation Starters

These encourage deeper thought and comments.

- When you give, what are you really investing in?
- Why do YOU give? Let us know—your reason might inspire someone else!
- What does generosity look like to you—in action, not just words?

Behind-the-Scenes / Impact Awareness

Perfect for reels, stories, or photos of church ministries in action.

- Did you know your giving helped make this moment possible? (pair with a photo or video of a mission, outreach, or baptism!)
- Here's what happened because of your generosity this month...

Our UMC Legacy

These connect giving to the Church's broader mission.

- What kind of Church do we want to be in five years? It starts with what we invest in today.
- What legacy do you want to help leave in our community? In our world?
