Communication Supports Church Ministry

Amend ¶ 1804 as follows:

Amenability and Accountability—The General Commission on Communication shall be amenable to the General Conference. As United Methodist Communications is an administrative general agency that supports the mission and ministry of the church at every level of the denomination. ~~carries significant program functions in addition to its many service and support responsibilities, the commission shall be accountable to, report to, and be evaluated by the Connectional Table in program matters and shall be accountable to and report to the General Council on Finance and Administration in financial matters.~~

Rationale:

This revision clarifies the integral role of communication in enabling ministry throughout the church and eliminates redundancy.
