

Break the Code

Did you know that during World Wars I and II, Native Americans used their tribal language to send secret communications? This is a different kind of code for you to solve. Using the legend below, decipher what Jesus said when he appeared to the disciples.

The disciples were in a room together talking about the stories they had heard about Jesus being risen. Solve the code to learn what Jesus said when he appeared to them:

Luke 24:36, CEB

While they were saying these things, Jesus himself stood among them and said,

16 5 1 3 5 2 5

23 9 20 8 25 15 21

A=1	B=2	C=3	D=4	E=5	F=6	G=7
H=8	I=9	J=10	K=11	L=12	M=13	N=14
O=15	P=16	Q=17	R=18	S=19	T=20	U=21
V=22	W=23	X=24	Y=25	Z=26

Picture the Story

"Look at my hands and my feet. It's really me! Touch me and see, for a ghost doesn't have flesh and bones like you see I have." As he said this, he showed them his hands and feet. Because they were wondering and questioning in the midst of their happiness..."

Luke 24:39-41b, CEB

Draw a picture of Jesus and the disciples when Jesus showed them his hands and feet. What do you imagine the expression was on the disciples' faces when they recognized Jesus and realized he was alive?
