WHY DO WE CELEBRATE SPECIAL SUNDAYS WITHOUT CHURCHWIDE OFFERINGS?

What do you celebrate? A milestone in your life? A team win? A child's good report card? Celebrations are important to our church life as well as to our personal lives. In The United Methodist Church, we celebrate five Special Sundays without churchwide offerings: Heritage Sunday, Laity Sunday, Organ and Tissue Donor Sunday, Men's Ministry Sunday and Women's Ministry Sunday.

**WHY DO WE OBSERVE ORGAN AND
TISSUE DONOR SUNDAY?**

Often, we take our health for granted. We check that little organ-donation box on our driver's license and, most likely, forget about it. But when we, or someone we love, needs an organ, cornea or other tissue transplant, the situation becomes personal. That's why Organ and Tissue Donor Sunday is so important. Often observed on the second Sunday in November, it is viewed as a time for United Methodists to come together around the issues of life and thanksgiving.

For stories about how you make a difference,
