**SPECIAL
SUNDAY**

SUNDAY

Have you ever wondered how to integrate the United Methodist Special Sunday offerings into the rhythm of your congregational planning?

Each year the denomination sets aside six Sundays as part of the liturgical year to support and celebrate the work of the local, national, and global church. Taking the time to educate and prepare your congregation to give generously allows them to participate more fully in the United Methodist connection. These Special Sundays empower them to have a greater impact through shared ministries than they can as a single congregation.

This planning calendar outlines a strategy that you can adapt for your context in 2022. From small groups to social media to sermon and other worship planning, this tool provides guidance to coordinate a successful campaign.

You have been called on to lead in new ways through these unprecedented times. The planning calendar is designed to clarify and simplify tasks, opportunities, publicity, and celebrations for each Special Sunday. We are in prayer with you as you mobilize your community to learn, serve, and give generously.

DID YOU KNOW?

United Methodist Student Day was the original Special Sunday. Dating back to 1872, this fund was the first collection taken in United Methodist Church Sunday school classes to advance the education of their children. The United Methodist church recognizes educating their children was and still is today a strong investment in the future of the church. The special Sunday was established as a Children's Fund and in 1940 was renamed as Student Day. Initially this Sunday was observed in June, but since 1968 it is celebrated on the last Sunday in November.
