

UMCOR SUNDAY

Children's Bulletin

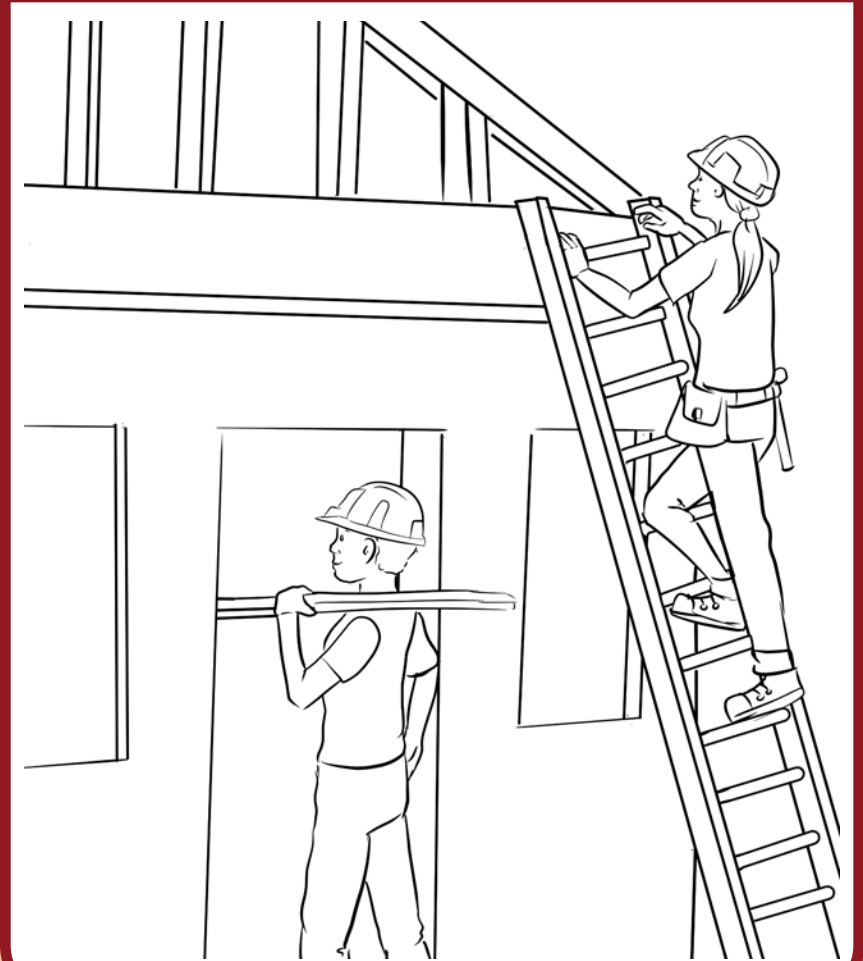

"We are ambassadors for Christ"

(2 Corinthians 5:20)

An ambassador is someone who works to connect people. Follow the maze to connect the children with Jesus.

Today is **UMCOR Sunday** and we celebrate the work that United Methodists are part of to help people rebuild after a disaster. As you color this picture, say a prayer for people who are going through a hard time.

Preparing for a Disaster

Being prepared for an emergency isn't just about staying safe during a storm or a disaster. It's also about how to stay comfortable, clean, fed and healthy when a storm or disaster may have knocked out electricity.

Pack your emergency kit by circling the items you would include and put an X over items that wouldn't be useful:

Creation Care

UMCOR responds to natural and human-caused disasters. Caring for the earth can help prevent the seriousness of some natural disasters. In the space below, draw a picture of your favorite animal, flower, bird or insect and add a message about caring for God's creation.

Word Search

Today we are partnering as ambassadors for Christ to alleviate suffering through our work with UMCOR. Can you find some of the words you might hear today in this puzzle?
