IDEAS, TIPS AND PLANS TO INCLUDE THE SPECIAL SUNDAYS

The United Methodist Church sets aside a number of Special Sundays every year to recognize specific ministries we support as a denomination. We celebrate and identify these as Special Sundays. We encourage you to take the time to educate and prepare your congregation to charitably give and learn to participate more fully in the United Methodist connection.

The planning calendar is designed to clarify and simplify tasks, opportunities, publicity, and celebrations for each Special Sunday. It also includes hyperlinks to reduce your search time. Use this calendar as a guide to help you plan through the year.

We are in prayer with you as you organize your community to learn, serve, and give generously.

IDEAS & TIPS

Laity Awareness Sunday is observed on October 20. We celebrate and recognize the ministry and witness of laypersons in the church. In the early days of American Methodism, the laity served and upheld churches between visits of the circuit riders. Today, they are the front line of daily ministry at the workplace, in the home and within the community. Download and use this [pew card](#) to raise awareness in your church.
