

## HOW TO USE THE DISASTER RELIEF ENVELOPE LABEL?

To support disaster relief efforts, we provide a downloadable envelope label tailored for disaster relief for through the work of UMCOR. Simply print the template on 2" x 6" address labels, such as Online label [OL2097WX](#), Uline label [S-9658](#) or a Avery label [22838](#) .

Once printed, stick the label onto an envelope—any envelope smaller than 6 inches wide should work. These labeled envelopes can then be used during worship services, Sunday School, or small group gatherings to encourage donations. Templates are available in both color and black-and-white for your convenience.

This template is designed to fit 2"x6" address label. In some cases it is called a wraparound label. Compatible to these brands: Online label product [0L2097WX](#), Uline label product [S-9658](#) and Avery label [22838](#)
