

HOW TO PRINT AND USE THE PEW CARDS

Pew cards are a great way to share and teach about each Church-wide Special Sunday. Here's how to use them:

1. **Download the PDF template we've provided.** It's already set up for standard 8.5×11-inch paper.
2. **Choose your paper:**
 - For sturdier cards, use cardstock (thicker paper you can buy at office supply stores).
 - Regular printer paper works fine too.
3. **Print the file:** Open the PDF and select "Print" from your computer or device. Make sure your printer settings match the paper size (8.5×11).
4. **Cut out the cards:** Use scissors or a paper cutter to separate each card along the dotted lines.
5. **Place and share:** Put the cards in pew racks, bulletins, or high-traffic areas in your church. You can also hand them out during worship, Sunday School, or small group meetings.

TIP: If printing isn't possible for your group, you can still share the pew card content by using the worship image we provide. You can post it online or display it during worship.

PRINTING TIPS:

1. Select "Fit to page"
2. Choose "Print on both sides"
3. Use "Flip on long edge"
4. Set to "Portrait" orientation

RURAL LIFE SUNDAY

Together, our generosity changes what is possible.

WHAT ARE ANNUAL CONFERENCE SUNDAYS?

Celebrations bring joy, reflection, and connection in our lives and within the Church. They remind us of our shared faith and how we live it out together.

United Methodists observe annual conference Sundays to support ministries that impact lives in our communities. On these Sundays, we reaffirm our commitment as God's people and support programs endorsed by the Church. To see the impact of these ministries, visit UMC.org/YourImpact.

Conference Sundays support and strengthen ministries within local communities

WHAT IS RURAL LIFE SUNDAY?

Rural Life Sunday highlights the lives, work, and challenges of those in rural communities and agriculture. It reminds us that all creation—people and land alike—belongs to God, and caring for both is part of our calling. On this day, we support outreach, education, and leadership development in rural areas, along with agricultural ministries and partnerships across the annual conference.
